public meeting about the:**

Sawmill River Restoration

**Thursday, April 5; 7 p.m.
Montague Public Safety Complex
180 Turnpike Road, Turners Falls MA**

Over more than thirty years the Sawmill River has been plagued by problems that have threatened bridge safety, damaged roads, farmland and private property.

Come hear about and discuss proposed designs and methods to restore a portion of the Sawmill River in Montague that will help reduce erosion and sediment loads, improve water quality and habitat for fish and other wildlife.
